

**ORANGE UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 3**

WES POUTSMA

OCCUPATION: Retired Assistant Superintendent

Education:

Life Teaching Credential, Masters in School Administration CSUF.

My wife Judy and I have lived and raised our two children in the City of Orange for over 27 years. For over 30 years education has been a passion in our family.

I recently retired from the education system after serving 15 years as an administrator and 15 years as a teacher. My wife recently retired after 32 years as an elementary teacher.

As a school board member I will work to bring the focus back to our schools and into our classrooms where it belongs.

As an educator and Assistant Superintendent I have worked with the community, educators and parents in making sure that we provide the best quality education possible to our students.

My goals are simple:

Build positive relationships between parents, educators and our community.

Bring fiscal responsibility to our district.

Keep our schools safe.

Make educated policy decisions that benefit our students.

I have the experience, passion and educational qualifications that will make me a successful board member. Our students deserve the very best.

I would be honored to have your vote on November 2, 2004. My name is Wes Poutsma.
